# About **Lumana Inv. Ltd**

**Lumana Investment Ltd, incorporated in July 2022, is a Zambian trading, procurement, and general supply company founded on the principle of "Customer Satisfaction through Service and Supply Excellence." We are uniquely positioned through our diverse and decentralized business networks, strengthened by world-class credit and financing capabilities.**

We operate in various motor vehicle sectors, including vehicle imports and sales, custom clearing and forwarding, as well as car hire and fleet management. Through strategic partnerships with leading manufacturers and suppliers, we ensure that our customers receive high-quality products and services at competitive prices.

Beyond motor vehicle trading, Lumana Investment Ltd specializes in multi-industry supply solutions. We provide automotive spares, mining machinery and equipment, industrial and manufacturing equipment, healthcare and energy supplies, municipal resources, agricultural inputs and machinery, as well as construction machinery and equipment.

Our supplies cater to mining, infrastructure development, production, manufacturing, transportation, and various industrial sectors. With a team of experienced professionals, we tailor solutions to assist customers with their specific requirements, ensuring that goods can be purchased with flexible payment options, including 50% upfront payment terms that align with business cycles. Whether you need vehicles, mining equipment, industrial machinery, or specialized procurement services, Lumana is your trusted partner for quality and excellence.

# Mission And Vission

## Mission

***Our mission is to provide high-quality, reliable, and cost-effective trading, procurement, and supply solutions that meet the diverse needs of our customers.***

WE ARE COMMITTED TO EXCELLENCE, INNOVATION, AND CUSTOMER SATISFACTION, ENSURING THAT OUR PRODUCTS AND SERVICES ADD VALUE TO BUSINESSES AND COMMUNITIES.

## Motto

***Think Lumana, We  
Drive Zed!***

## Vission

OUR VISION IS TO BE A LEADING AND TRUSTED PROVIDER OF TRADING, PROCUREMENT, AND GENERAL SUPPLY SERVICES IN ZAMBIA AND BEYOND. WE AIM TO CONTINUOUSLY EXPAND OUR BUSINESS NETWORKS, EMBRACE TECHNOLOGICAL ADVANCEMENTS, AND DEVELOP SUSTAINABLE SOLUTIONS THAT ENHANCE INDUSTRY EFFICIENCY AND ECONOMIC GROWTH.

# Our Core Values

The following shared values keep us on course towards our objective of ensuring a culture of both passion and performance:

**We are  
better

# New and Pre-Owned **Vehicles**

## New Vehicles

Buying a new car is not an easy decision. A new car is an expensive asset. It needs to perform to expectation and have a respectable lifespan. At any one of Lumana dealerships you will find our team ready to assist you with this important step.

## The best brands

At Lumana we are proudly partnered with top international vehicle manufacturers and our dealerships offer some of the most trusted brands in the world. Our vehicles are all different; offering everything from high performance to extreme heavy lifting and incredible fuel economy. One thing they have in common is a proven track record of excellence.

## Pre-Owned Vehicles

One of the great benefits of operating a large branch network is being able to match the needs of our customers. Sometimes you can find exactly what you have been looking for in our extensive catalogue of pre-owned vehicles.

## The widest selection

With pre-owned dealerships across the country, Lumana selection of pre-owned cars is one of the largest in the country. Search our comprehensive online catalogue from the comfort of your home to find the vehicle that suits your needs, whether you are looking for speed, economy, practicality or utility.

Our pre-owned cars are all held to the highest standard of quality control. Rigorous inspection ensures that you can count on the quality of your purchase.

We do not compromise on safety.

# Our Services

## Vehicle Sales & Hire

At Lumana we assist our customers who are looking to hire or purchase a new or used vehicle. We converse with customers to find out their budget and wish list, helping you find a suitable car that matches your needs. We offer short to medium to long term car rentals, Airport transfers, Driver hire, Cab rental for town running, Upcountry vehicle rental, group car rentals and car rental programs for special events like meetings. Our fleet include SUVs, Alphards and Alions to meet our client's needs of Economy, full-size or luxury car.

## Car Hire Service

We take pride in offering one of the most reliable and flexible car hire services in Zambia, designed to meet the diverse needs of our clients. Whether you require a vehicle for business, leisure, or special events, our extensive fleet is ready to deliver comfort, safety, and convenience.

Our range includes economy cars, SUVs, luxury vehicles, vans, and buses, ensuring that we can match any requirement from individual travel to large group transportation. We offer short-term, medium-term, and long-term rentals, with options for chauffeur-driven or self-drive packages. Our car hire service also caters for:

- Airport transfers and hotel drop-offs
- Corporate and executive transport
- Wedding and event car rentals
- Upcountry travel and off-road journeys
- Special fleet arrangements for conferences and delegations

*All our vehicles are well-maintained, fully insured, and undergo regular servicing to guarantee a smooth driving experience. We also provide competitive rates and flexible payment terms, making it easier for individuals and businesses to access quality transport solutions when they need them.*

**Buy or Hire US**

# What We Supply

Lumana Investment Ltd provides a wide range of high-quality products across different industries, ensuring businesses and individuals have access to reliable and cost-effective solutions. Our supply services cover key sectors such as automotive, mining, construction, agriculture, healthcare, energy, and municipal services.

## Mining Machinery & Equipment

Lumana Investment Ltd is a trusted supplier of high-performance mining machinery, equipment, and spare parts. We partner with globally recognized manufacturers to provide reliable and durable solutions for Zambia's mining industry and beyond.

Our products are suited for both large-scale mining operations and specialized applications, ensuring optimal productivity, safety, and efficiency.

### Our Range Includes:

- **Surface Mining Machinery:** Excavators, haul trucks, bulldozers, motor graders, and wheel loaders.
- **Underground Mining Equipment:** Load haul dump (LHD) loaders, underground trucks, drilling rigs, and roof bolters.
- **Processing & Handling:** Crushers, screening plants, conveyor systems, and material handling equipment.
- **Support Equipment:** Generators, compressors, lighting towers, water bowsers, and fuel tanks.
- **Spare Parts & Accessories:** Hydraulic systems, wear-resistant components, filters, and OEM replacement parts.

# Construction Machinery & Equipment

Lumana Investment Ltd supplies a complete range of modern and dependable construction machinery to contractors, developers, and government projects. We focus on providing equipment that boosts productivity, meets safety standards, and stands up to Zambia's diverse working conditions.

## Our Range Includes:

- **Earthmoving Equipment:** Bulldozers, excavators, wheel loaders, backhoe loaders, and graders.
- **Road Construction Machinery:** Road rollers, asphalt pavers, compactors, and milling machines.
- **Concrete & Building Equipment:** Concrete mixers, batching plants, tower cranes, scaffolding, and hoists.
- **Material Handling Equipment:** Forklifts, telehandlers, and truck-mounted cranes.
- **Power & Utility Support:** Generators, welding machines, compressors, and lighting towers.

## Industries We Serve:

- Residential, commercial, and industrial construction
- Infrastructure and public works projects
- Road and bridge construction
- Civil engineering and large-scale developments

## Automotive Spare Parts

We supply genuine and aftermarket motor vehicle spares and accessories to keep vehicles running efficiently. Our inventory includes engines, transmissions, suspension and braking systems, batteries, alternators, tyres, wheels, body panels, bumpers, and lighting systems. Whether for personal, commercial, or industrial vehicles, we ensure availability and affordability of essential automotive components.

## Building Materials

For the construction sector, we provide cement, sand, reinforcing steel, structural beams, bricks, roofing sheets, plumbing materials, glass, tiles, flooring materials, paints, adhesives, and sealants. Our materials meet industry standards to support residential, commercial, and large-scale infrastructure projects.

## Agricultural supplies

In agriculture, we support both small-scale and commercial farmers with essential inputs such as high-quality seeds, fertilizers, pesticides, tractors, harvesters, plows, irrigation systems, water pumps, and greenhouse solutions. We also supply livestock feeds and veterinary products to enhance productivity and sustainability in the farming industry.

## Electrical supplies

Our electrical supplies and equipment cater to industrial, commercial, and household needs. We offer transformers, generators, solar panels, battery storage systems, wiring, cables, circuit breakers, industrial appliances, and smart energy solutions. Our focus on renewable energy options ensures that businesses and homes have access to efficient and cost-effective power solutions.

## Healthcare supplies

We also supply healthcare products and medical equipment to hospitals, clinics, and medical institutions. Our range includes hospital furniture, surgical instruments, diagnostic and laboratory equipment, personal protective equipment (PPE), and pharmaceutical consumables. We ensure that healthcare providers have access to high-quality, essential medical supplies to support patient care and safety.

## ICT and office supplies

In the ICT and office supplies sector, we provide computers, laptops, printers, scanners, networking equipment, software solutions, office furniture, and stationery. Our products are designed to enhance business efficiency, digital transformation, and seamless communication for organizations of all sizes.

## Energy supplies

For the energy sector, we provide solar panels, off-grid power systems, backup generators, transformers, fuel storage tanks, inverters, and electrical infrastructure. Our energy solutions cater to industrial, commercial, and municipal projects, promoting sustainable and efficient energy use.

## Municipal and Utility

Additionally, Lumana Investment Ltd supports municipal and utility services with essential supplies such as water treatment and distribution systems, waste management solutions, street lighting infrastructure, and road safety equipment. Our products help local governments and private companies maintain clean, safe, and well-managed public spaces.
